MÉS INFO:

# AGE: from 4 to 10 years old\*

- The children participating in these activities will be divided by age, in **groups of 10** people. Each group will have a teacher/monitor who is responsible for them for the entire duration of the activity.
- We want to encourage collaboration among all children in all the activities and persuade the older ones to help the younger ones in some of the workshops, so that they create great things together, leaving aside any competition between them.
